## 2020 Excellence in Teaching Award Nomination

### Objective:

1. To recognize, celebrate and award excellence in teaching at the Michael G. DeGroote School of Medicine at each campus location.
2. To further the quality of education at the campuses.
3. To provide an opportunity for medical students to choose and recognize teachers that best challenged them, motivated them or took the time to connect with them.

### Criteria:

1. Excellence in **quality instruction** by employing an effective combination of teaching with clinical supervision.
2. Demonstrates an **enthusiasm for teaching** and encourages self-directed learning.
3. Is an inspirational teacher who demonstrates a **gift for motivating and challenging** students on a regular basis.
4. Recognizes and is **sensitive to student needs**, creating a safe learning environment.
5. **Models professionalism** through their behaviours and attitudes.
6. Embodies the spirit of the Michael G. DeGroote School of Medicine learning (self-directed & lifelong learning, patient-centred approach to medicine, etc.).
